RE: Request for Information – Gilt Edge Mine Site, Lawrence County, South Dakota

Dear Ms. Madigan:

This letter is to confirm our telephone conversation August 26, 2008, regarding CoCa's request and your agreement to a thirty-(30) day extension in which to answer the Request for Information as referenced above. We are making this request to allow time to search our archives for information pertaining to CoCa's activities at the Gilt Edge site.

According to my records the request was received on August 18, 2008, and it requested a response within thirty (30) days of receipt, which is September 17, 2008. Therefore, a thirty-(30) day extension would make our response due by October 17, 2008. Of course, if we can complete our response before then, we will certainly do so.

Thank you for your cooperation with this matter.

Sincerely,

Ann Robison  
Property and Contract Coordinator
